

## ICPM Pension Governance Education Program (PGEP)

### PGEP returns in-person in 2022!

ICPM and the University of Toronto's Rotman School of Management Executive Programs have designed a unique international board governance program that is specifically targeted to Board members and trustees of pension and other long-horizon investment institutions: **the Pension Governance Education Program (PGEP)**.

Leading pension practitioners and academics help participants understand their board role in key strategic areas:

- Governance of Pension/Investment Management Institutions
- Responsible Investment
- Boardroom Dynamics
- Investment Beliefs
- IT and Cybersecurity Risk
- Member Communications

**"The Rotman ICPM board governance program gave me new insights both from the academic presentations and the stimulating case study discussions. Here in Sweden, I have started to implement some ideas to increase the efficiency of the board that I chair."**

**Urban Karlstrom** Board Chair, Forsta AP-Fonden (Sweden)

### Refreshed for 2022!

The updated **3.5 day curriculum** will be led by a high-quality team of top academics and renowned practitioners. Newly-developed content reflects the top priorities and challenges facing Board members and trustees of long-horizon investment institutions today.

Networking events, case studies, group discussions and team assignments ensure dynamic interactions among participants throughout the program, which foster global pension sector contacts that remain long after the program. Two follow-up virtual sessions will be organized for alumni.

**Consider integrating the PGEP as a valuable step for your incoming Board or Committee chairs.**

**"The program offers effective research, practical solutions, group networking, training sessions and access to skilled professionals, both academic and business, to guide the learning."**

**Bob Scheuber** Board Chair, QSuper (Australia)

**"[This] was one of the best educational courses we have participated in thus far. We look forward to sending other CalSTRS Board members in the future."**

**Sharon Hendricks** Board Vice Chair, CalSTRS (United States)

**Register Now - Space is limited to only 35 participants**
